The new Olave Program Resource is now available as a mobile-friendly website, which is easy to use anywhere, anytime!

## What's new in the Olave Program Resource?

The Olave Program Resource has tons of information about the new Olave Program Framework, including lots of ideas for activities for Olaves and Peer Groups under each of the aspects of Community, Adventure and Self-development.

It has a large new section about Peer Groups – setting out everything Olaves need to know about how Peer Groups start, operate and thrive.

Did you know the Olave Program is almost 20 years old? Check out the new Olave Program history section to learn about how we have grown and developed over the years!

The Olave Program Resource also provides very easy access to lots of general Guiding information and resources including Guide Lines, the Code of Conduct, Adult Endeavours and more.

If you're interested in Olave Program Awards, all the information is in the Olave Program Resource, including detailed sections on self and peer assessment.

The Olave Program Resource will be updated regularly so that all the information is correct and up-to-date.
