

JOTI (Jamboree on the Internet)

Always held on the 3rd FULL weekend of October
In 2014 – JOTA/JOTI will be held 18-19 October

Start planning for JOTI

ASAP –

Arrange your venue – at camp, in the hall, at the library, at the school
BOOK in now

TERM 2

If you need any help contact your State JOTA/JOTI Co-ordinator.

TERM 3

To run a successful JOTI activity, you will need several computers networked, and an internet connection.

If you are only using IRC chat, a dialup connection will run a reasonable network; however broadband is becoming easier to obtain for use during JOTI.

Do make sure that you have access to a viable Internet connection **WELL BEFORE** the JOTI weekend. It's too late to try to get it working while the youth members are waiting to get online.

Register your JOTI event with State JOTA/JOTI Co-ordinator –

Email – _____ (Station Log Sheets will be sent to you)

Prepare activities for JOTI. (More ideas will be in *State newsletter* or on website shortly).

Order the JOTA/JOTI badges from the Guide Shop for all participants.

OCTOBER –

Finalise activities to use at JOTI.

Enjoy the JOTI experience

Contact your local media – give them a story and photos of the event.

NOVEMBER –

Return *Station Log Sheets* and a *report of activities* (including copies of any PR in your area) of your event, to State JOTA/JOTI Co-ordinator by 1 November. (This is needed to collate the State report for Girl Guides Australia.)

For more information contact State JOTA/JOTI Co-ordinator –
