What is a Support Group/District Support Team?

The Guide program is completely run by volunteers. All Leaders give their time without charge. To assist, parents are invited to become official members of the local Support Group/District Support Team. This group of supporters work with Leaders and the District Leader, to

- **Maintain the place of meeting** (hut) by covering expenses for maintenance, rates, insurance, electricity etc.
- **Support Leaders** by paying for their membership, uniforms, training.
- **Promote Guiding** in the community.
- **Assist Leaders** for special events.

Fundraising is aimed to cover these on-going expenses while the cost of meeting activities is covered by the weekly subs paid by the girls.

Membership of the District provides you with maximum insurance coverage when involved in Guide activities
