

Challenge Games

For each of the following activities you are to work as a team of two or three USING ONLY ONE HAND EACH. You are allowed only ONE MINUTE for each station and the start and finish signal will be centrally controlled.

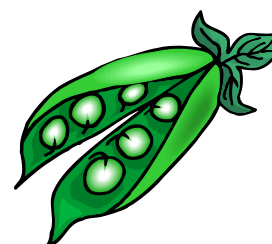

STATION 1— How many paperclips can you join together in a chain? (Require large quantity of paperclips)

STATION 2— How many stitches can you cast on needles? (Require knitting needles and wool)

STATION 3 How many peas can you transfer from one saucer to the other using straws? (Require peas, straws, small plates)

STATION 4 - How many buttons can you put on the thread? (Require buttons and thread)

STATION 5— How many reef knots can you tie? (Require cord)

STATION 6— How many pairs can you list on a piece of paper? (Require pencil and paper)
