

What is the Southern Cross Challenge?

The SCC is an award scheme for financial Trefoil Guild members aged 18 years and over. Participants join the scheme by taking up an activity of their own choice, something they have not seriously tried before. They set themselves targets or goals within their subject and must continue to undertake their challenge for the time specified for each section of the Challenge.

There are six categories in which people can participate and may include any activity which people think will fit into one of the categories:

HELPING HAND
ARTS FOR ALL AGES
INTERNATIONAL INTEREST
PROTECTING TOMORROW
OUR WONDERFUL PAST
NATURE'S ELEMENTS/OUR ENVIRONMENT

How the scheme works:

- Register.
- Decide on activity and set targets.
- Send in the activity notification form to The Australian Trefoil Guild Southern Cross Challenge Coordinator.
- Challenge yourself!
