

### DHV and SCC report for final newsletter for ATGA Barbara Fairbairn

During the three year term of ATGA, Barbara Fairbairn, there have been 14 Gold Awards earned and presented, with one Venturer gaining two Gold Awards. Also there have been 85 category certificates. These are made up of 26 Active & Creative, 18 Giving & Sharing, 19 History & Heritage, 13 Peoples & Nations and 9 tomorrows World. Well done and congratulations to each Venturer who 'found their Dark Horse'.

Also during Barbara's term, the newest award for Trefoil Guild members over the age of 18 years was explored, discussed and finally implemented on February 22nd 2018. Australian Trefoil Guild Southern Cross Challenge is the name chosen for this challenge. This award is based on the UK Trefoil Guild Voyage Award. At the time of writing this report there are 15 registered members, (three pending applications), with one member nearing completion of the first Bronze Badge and Certificate. This means that she has will have completed six challenges for the Bronze Level. Congratulations and well done Bek Milne (WA).

The Dark Horse Venture program will continue for Trefoil Guild members over the age of 50 years.

I attended the 23<sup>rd</sup> ATGG, in Tasmania in May where we had a 'devil of a time'. It was a lovely surprise to receive a Thank you badge from Barbara at the Gathering.

My thanks to Barbara for her advice and support during the three years of her term as ATGA, it was very much appreciated.

I wish her well in her next 'challenge', whatever and wherever that may take her.
