

Any member, Youth or Adult can earn this challenge Badge

Simply:

- Participate in an ANZAC service either as a part of a Guide, school, family or community activity
- Guides aged **5-9 years** complete three challenges across the different areas
- Guides aged **10-17 years and Adults**, complete four challenges across different areas

Remember, we have a process for planning activities in our Guide Program:

Discover, Decide, Plan, Do, Evaluate

Discover and **Decide** what you are going to do, **Plan** the activity and Do it. Then **Evaluate** how your activity went!

It's up to you to choose your challenges. You can choose to work together or individually.

Look through your handbooks to consider where you may be able to be awarded further challenges through the Recognition System.

Share your findings or what you may have learnt with your Patrol / Unit or Peer group where you can and by whatever means you enjoy.

The *Saluting their Service* badge can be worn at the top of the back of the sash for the following 12 months.

No sash?

Maybe put it on your camp blanket, book bag, camp hat...

This badge is available for purchase from your State's retail shop.
