

The Thailand Challenge REVISED ITINERARY

3rd—17th July 2021

Program Outcomes

The Thailand Challenge aims to broaden the experience of adult members 18-35 by

- ♣ Exploring the outdoors through observation and investigation of Thailand's culture, history and environment.
- ♣ Sharing the ethos of Guiding through interaction with Australian, New Zealand and Thai Girl Guides in formal and non-formal activities.
- ♣ Enjoying Guiding traditions including campfires, cooking and small group activities.
- ♣ Developing leadership skills while visiting Thai schools and while living and travelling with different people.
- ♣ Participating in environmental education activities to raise awareness of issues, lifestyle changes and community responses.
- ♣ Participating in community service projects including sharing English language with Thai students and mangrove restoration and planting.

This project has been developed with Traidhos Three-generation Barge Program and Girl Guides (Girl Scouts) Association of Thailand for Australian and New Zealand adult members aged 18-35.

Traidhos Three-generation Barge Program

Since 1995, the Traidhos Barge Program has been providing high quality outdoor experiential education. Their vision is "Educating individuals and communities to raise environmental awareness and take active responsibility for a globally sustainable future."
