# PROGRAM IDEAS

Welcome to Term 4, time to consider what new adventures and topics might be introduced to programs across Guiding in Australia. Please explore, go and create, definitely discover and achieve!

## INTERNATIONAL DAY OF THE GIRL

Monday 11 October

Since 2012, WAGGGS celebrates International Day of the Girl to promote tools and platforms that would amplify the voices of girls and raise awareness on issues that matter to girls the most.

For International Day of the Girl 2021, the activities and campaign from WAGGGS will revolve around the news and we invite all of you to join us to #WriteHerStory.

This activity pack will guide girls to speak out for a change they want to see through a short and achievable advocacy project, led by them.

You will find the activity pack here: [waggggs.org/en/resources/write-her-story-international-day-girl-2021/](http://waggggs.org/en/resources/write-her-story-international-day-girl-2021/)

### #HearHerStory

*For the first time in WAGGGS-IDG herstory, they will be having a series of podcasts!*

*#HearHerStory will feature people who have taken action and delivered projects related to advocacy. WAGGGS will look at issues they overcame and how they made a difference.*

## WORLD FOOD DAY

Saturday 16 October

Get Creative! Calling all children and teens around the world! If you're between the ages 5 to 19, we want you to use your imagination and create a poster showing a food journey! There are many different kinds of journeys that food can take, some that guarantee a healthier future for people and the planet. Choose your favourite and be creative!

Upload your poster here: [fao.org/world-food-day/youth/contest/en/](http://fao.org/world-food-day/youth/contest/en/)

## JOTA/JOTI

15-17 October

The world's largest digital and radio event promoting friendship and global citizenship.

Jamboree on the Air (JOTA) and Jamboree on the Internet (JOTI) is an annual event in which around 500,000 Scouts and Guides from all over the world make contact with each other by means of amateur radio or the internet.

Jamboree on the Internet (JOTI) is held on the same weekend as Jamboree on the Air (JOTA). JOTI connects Guides and Scouts on the internet through various websites.

Any Guides can take part in JOTI! You can do it as a Unit, Patrol or individually at home. All you need is a computer and internet access.

## WORLD SCIENCE DAY

Wednesday 10 November

It was started as a way of opening up the world of scientific research and discovery to engage everybody in current scientific issue and developments - like artificial intelligence or renewable energy. World Science Day aims to show that - although you may not be a scientist or a researcher - science is all around you and is a part of everybody's life. By making science more accessible World Science Day is one way which science can be used to inspire people to study and participate in it.
