

GIRL GUIDES AUSTRALIA LAUNCH THEIR CHILD SAFE CHILD FRIENDLY FRAMEWORK

THE FRAMEWORK

- Complies with Australia's National Principles for Child Safe Organisations and signals the ongoing commitment of Girl Guides to provide girls and young women with an environment where they are safe, protected and respected, and where they can discover their potential as leaders of their world.
- Was developed together with key stakeholders from across Girl Guides, including Youth Members.
- Provides clear guidance for everyone involved in Girl Guiding to understand their role in helping to keep children and young people safe, and to build on the Child Safe Child Friendly Community that is central to Girl Guiding in Australia.

"Girls love Girl Guides as it's a place where they enjoy time with their friends - exploring, adventuring, having fun - and also where they feel safe. In Girl Guiding, the girl is the centre of all our decisions and our Framework reminds us that we must view everything we do through a child safe child friendly lens."
