How else could you Step Up in 2022?

- Guides could make a pledge towards reducing your own waste contribution
- Could you Step Up by saying no to straws? To bringing your own water bottle? To composting? To buying recycled, to choosing not to buy fast fashion or refusing to purchase fruit and vegetables pre-wrapped in plastic?
- There are so many ways to Step Up! And thousands of small steps together, make a big difference! Together we can all be part of the solution.
- Inspire your family and friends to help make a change by sharing your personal pledge on social media and tagging @CleanUpAustralia #StepUptoCleanUp

The Clean Up badge for 2022 will be available to purchase through Guide retail outlets.
