### **International Connections Pool**

#### **FOR LEADERS OF GIRL GUIDE UNITS WITH GIRLS AGED 13+**

Connecting with Girl Guides across the world is an amazing experience. With the move to more virtual connections, Girl Guides Australia is receiving invitations to share in online celebrations and events from other Girl Guiding and Girl Scouting countries.

Would your Girl Guide Unit like to be able to join these celebrations?

To accept these invitations, Girl Guides Australia is establishing a pool of Leaders of Girl Guide Units who are:

- Leading a Girl Guide Unit with girls aged 13+
- enthusiastic
- flexible to respond to invitations, sometimes with limited notice and preparation time
- aware of the different time zones
- media skilled for virtual meetups
- able to satisfy GGA requirements for virtual meetings.
