

## A.GINFO 09 (2022) Olave Program Resources Update

National Olave Program resources have been reviewed and updated. The Olave Program's web presence is also about to change. Please note the following summary of the changes.

This document has been the main source of information on the Olave Program since the Olave Program review in 2015. This valuable resource has now been reviewed and modernised to become the Olave Program Handbook.

### **Olave Program History**

Information on the history of the Olave Program has been moved from the Olave Program Handbook and is now a separate resource.

### **Olave Program Web Presence Changes**
