

How to register a Girl Guide Unit for JOTA-JOTI 2022

To participate in JOTA-JOTI 2022 leaders are asked to register as an individual and then register their unit. If preferred leaders can also register the individual girls in their unit. It is important that all units in Girl Guides Australia include GGA at the end of their Unit name. This will allow us to identify who has participated. If you registered last year, you should be able to log in with your email and password.

Step 1: Visit www.jotajoti.info/ and click the Register Now button.

Step 2: Fill in the registration form.

Note that Girl Guides Australia has not been included within the list of NSOs. For this reason, leaders will need to tick the “I’m a scout” button and select “the Scout Association of Australia” as their NSO.

Step 3: You will receive a confirmation email. Confirm your login and that you are over the age of 13.

Step 4: Click the button to confirm that you would like to register as a group. It is only by registering as a group can we see who is participating.

Include GGA at the end of your Unit name and the Scout Association of Australia as your organisation.

Step 5: Click complete. You are now registered!

If you would like to register individual girls in your unit you can do so within your account on the www.jotajoti.info/
