Design a Girl Guides Australia Fun Badge

Girl Guides Australia wants Guides to get creative!

All Guides are invited to send in their design ideas for some new Girl Guides Australia cloth fun badges. The design will form the basis for a new national badge approximately 60mm x 50mm and can be sent in any format e.g. painted, drawn or using graphics noting that a simple design is best for a badge that size.

Badge design themes are birthday, outdoors/camping, activities.

This opportunity is open to all Youth Members and the GGA Graphic Designer will use the winning design to create a cool new badge!

Designs should be sent with the subject line: COOL BADGE DESIGNS to guides@girlguides.org.au and include:

- First name
- Age
- Member number
- State

The closing date for entries to be considered is: **Thursday 17 November 2022**

We ask that all States circulate this amazing opportunity to all members and facilitate the opportunity with Youth Members.
