

## **A.GINFO 12 (2023)**

### **Trefoil Guild Members Extension of date for compliance with GGA CSCF Framework**

At the GGA Board meeting on 4 December 2022 it was agreed that for those Trefoil Guild Members who had no other role in Guiding, the date for compliance with the GGA CSCF Framework (including the CSCF training module) would be extended until 31 December 2023.

This decision acknowledges the difficulty some Trefoil Guilds and Trefoil Guild members are having completing the online module and commends the work being done by Guilds and SGOs to ensure compliance.

Yours in Guiding
