Conduct Canoe/Kayak Activities

Purpose

This module is for Adult Members who wish to conduct canoe kayak activities for youth and adult participants according to *Guide Lines*.

For large groups, you must have assistance from additional qualified people to maintain appropriate supervision ratio requirements.

You may also assess Youth Members for Canoe Kayak Achieve a Challenge Trefoil 1 and 2 activities, if your assessment was completed by facilitating a group of Youth Members.

Before you begin

This Module may be completed by an Adult Member who does not hold either a Leader or Manager Qualification.

Under these circumstances that Adult Member will be qualified to conduct an activity with other adults and not with Youth Members.

To complete this module to take other adults you must:

- complete the assessment for this module with a group of adults
- hold a **Provide First Aid HLTAID011** or higher

To complete this module to take youth and adults you must:

- hold a GGA ALQP Leader or Manager Qualification
- complete the assessment for this module with a group of Youth Members
- hold a **Provide First Aid HLTAID011** or higher

Note First Aid Certificate Details here	Date copy sent to your SGO
Certificate:	

Process

If you wish to complete a module you should:

1. meet the entry competencies for the appropriate outdoor module in the Australian
2. Leadership and Qualification Program; and
3. have one member of staff who holds the outdoor module applicable to the type of module being undertaken
4. follow relevant State procedures to link them with an Outdoor Skills Assessor (OSA)
5. contact the Outdoor Skills Assessor
6. print this booklet and complete the reading, training, activities, and reflection exercises
7. get assistance from the Outdoor Skills Assessor to develop a plan to work through the Module and discuss RPL opportunities
8. complete the relevant GGA Canoe Kayak Basic Skills Training prior to the assessment. The training may be a course facilitated by the State Learning & Development and/or Outdoor Activities Team.

In States where there is less demand the training may consist of individual mentoring.

The requirements are similar for each type of module, with only minor variations. The activities are based on the things you need to do for each skill, although they can be completed in the order that suits your needs.

Assessment

This must be completed by an Outdoor Skills Assessor who holds the module: Instruct and Assess Canoe Kayak Skills or a person with an equivalent external qualification approved by the relevant SGGO. Assessment will be conducted under one of the following conditions chosen by the candidate:

1. flat and undemanding water
2. open/moving water
3. sea kayaking

This module can be completed in either canoes, kayaks or sea kayaks.

RPL

Adults who have completed Boating Canoe Kayak Achieve a Challenge Trefoil 3 within the last 3 years are exempt from all activities in the Basic Skills section except activities 5, 7 and 13.

Adults who have completed these VET modules are deemed to have equivalent qualifications by showing a log to demonstrate currency:

- SISOCNE307A Guide canoeing trips on Grade 2 water
- SISOKYK305A Guide kayaking trips on Grade 2 water

Recognition of prior learning is subject to running a canoe/kayak activity under the supervision of an Outdoor Skills Assessor.

The Outdoor Skills Assessor can give individual exemptions for the same activities completed in other boating modules.

Basic Skills

The aim of this section is to help you learn the basic canoeing / kayaking skills.

Girl Guide Training to complete:	Date Completed	Trainer's Signature
GGA Canoe and / or Kayak Skills Training		

Activities to complete:		OSA Signature & Date
1. Swim 50m and tread water for 3 mins in boating clothes, shoes and lifejacket.	Demonstrate this to your Outdoor Skills Assessor.	
2. Dress appropriately for a boating activity and explain the reason for each item.	Note the weather conditions and the clothing worn:	
3. Select, waterproof and stow personal equipment (first aid kit, repair kit, clothing), food and water. Explain why each item was selected.	List the equipment used in the boating activity:	
4. Wear a lifejacket correctly. If required, wear a canoe helmet correctly.	Demonstrate this to your Outdoor Skills Assessor and answer questions.	
5. Demonstrate a simple rescue technique e.g. use of a throw-bag / rope / buoyant object or reach rescue with paddle.	Demonstrate this to your Outdoor Skills Assessor.	
6. Respond to and use hand and whistle signals while on the water.	Demonstrate this to your Outdoor Skills Assessor.	

Activities to complete: Basic Skills	OSA Signature & Date	
<p>7. Find the rules for safe boating in your State.(they will be on a government website). Note the following:</p> <ul style="list-style-type: none"> • Which side of the channel or waterway you should be on • If two vessels are on a collision course, who gives way and what both vessels do • How a navigable channel is marked • The meaning of navigation buoys, beacons and lights 	Safe Boating notes:	
<p>8. Demonstrate the following knots and explain their use in boating activities:</p> <ul style="list-style-type: none"> • Reef Knot • Sheet Bend • Clove Hitch • Round Turn & Two Half Hitches • Bowline • Figure of Eight • Fisherman's Knot 	Demonstrate these to your Outdoor Skills Assessor.	
<p>9. Embark and disembark in an efficient manner while maintaining stability in a range of situations such as from knee-deep water, deep water, from another craft, from a pontoon or jetty.</p>	Demonstrate this to your OSA.	
<p>10. Manoeuvre the craft in controlled conditions demonstrating effective and technically correct use of appropriate strokes including:</p> <ul style="list-style-type: none"> • forward and reverse • sweeps • draw / pry (if appropriate) • bow rudder / cross bow rudder (if appropriate) • bow draw (if appropriate) • support strokes • emergency stops • coming alongside other craft or the shore 	Demonstrate this to your OSA.	
<p>11. Demonstrate use of rudder if fitted.</p>	Demonstrate this to your OSA.	

<p>12. Demonstrate controlled capsize procedures, manoeuvre capsized craft to shore and empty efficiently (with assistance).</p>	<p>Demonstrate this to your OSA.</p>	
<p>13. Demonstrate controlled capsize procedures, emptying the canoe kayak and re-entering from deep-water as the rescuer. Assist with the rescue without further capsizes occurring.</p>	<p>Demonstrate this to your OSA.</p>	
<p>14. After the activity, clean and stow canoe kayak and equipment.</p>	<p>Demonstrate this to your OSA.</p>	
<p>15. Record canoe / kayak activities in a log.</p> <ul style="list-style-type: none"> • Canoe Kayak activities in the last 3 years • the GGA Canoe Kayak Skills Basic Training 	<p>Attach a copy of your log.</p>	
<p>16. Participate in at least two Canoe Kayak activities (totalling a minimum of 10 hours paddling) This can include:</p> <ul style="list-style-type: none"> • Canoe Kayak activities in the last 3 years • GGA Canoe Kayak Skills Basic Training 	<p>Details of Activity 1:</p> <p>Details of Activity 2:</p> <p>Record all activities in your Canoe / Kayak log.</p>	

Conduct Canoe Kayak Activities

The aim of this section is to ensure you have the skills required to safely lead canoe kayak activities for participants. You must complete the Basic Skills section before beginning the activities in this section.

Reading to complete and discuss with Outdoors Skills Assessor:	Record date completed	OSA initial & date
<i>GGA Leader's Handbook: Chapter 7, Your role in safety and risk management.</i>		
<i>Guide Lines: Activity – Canoe /kayaking (Grade 1 water)</i> https://www.guidelinesforgirlguides.org.au/activities_manual/activities/canoekayaking-		

Activities to complete: Plan a canoeing / kayaking activity		OSA Signature & Date
<p>1. Plan a canoeing / kayaking activity for a small group (6 participants).</p> <p>With your Outdoor Skills Assessor, discuss:</p> <ul style="list-style-type: none"> • Consultation with the participants • Your plans to minimise environmental impact • Contingency plans. 	<p>Attach a copy of the plan.</p> <p>Key points from the discussion:</p>	
<p>2. Select activity leaders and discuss their roles.</p>	<p>Notes from discussion:</p>	
<p>3. Book the venue / equipment and complete booking forms. Obtain permission for access if required.</p>	<p>Attach a copy of the form/s.</p>	

Activities to complete: Plan a Canoeing/Kayaking activity		OSA Signature & Date
<p>4. Prepare a GGA Risk Assessment Plan (using ADM.56B). Forward this to the LIC of the activity.</p> <p>With your Outdoor Skills Assessor, discuss the inclusion of:</p> <ul style="list-style-type: none"> • Guide Lines requirements and safe boating rules • Minimising environmental impact • Hygiene / sanitation arrangements • Weather and tides (including flood, cyclone, storm, extreme temperatures) • Emergency plans • Changing conditions – weather and water, location as you travel, group skills and dynamics • Whether or not you also need to have a rescue boat available for the activity. 	Attach a copy of the plan.	
<p>5. If you are the LIC, obtain permission from your District / Region Manager to conduct a canoeing / kayaking activity (using GGA forms). Include the risk assessment plan and the route plan if applicable.</p> <p>After DM has signed the form, it must be submitted to the relevant Region or State authority according to State procedures.</p>	Attach a copy of the forms.	
<p>6. Prepare a newsletter or similar outlining activity details for the Guides and their families including the GGA forms required.</p> <p>Show your Outdoor Skills Assessor how you have organised the returned forms.</p>	Attach a copy of newsletter and forms.	
<p>7. Consider transport arrangements for participants and equipment.</p>	Attach transport arrangements.	
<p>8. Ensure that the LIC has prepared a kit list for the participants.</p>	Attach the kit list.	
<p>9. Ensure that the LIC has prepared the participants for the activity.</p> <p><i>With your Outdoor Skills Assessor, discuss the preparation activities including</i></p>	Key points about your preparation with the participants:	

Activities to complete: Conduct a canoeing kayaking activity		OSA Signature & Date
<p>1. For a canoeing / kayaking activity, check the weather forecast for the area. Discuss it with the instructor and make appropriate adjustments.</p> <p>Discuss the weather forecast should include wind direction, strength and environmental indicators, tides, identifying hazardous weather including storm clouds or strong winds and what precautions or actions to take. Adjustments could include personal protection eg sunscreen, spray jacket, changing the program / route etc.</p>	Key points from the discussion:	
<p>2. Select craft suitable for the activity and conditions, check the craft is seaworthy and equipment is fitted, adjusted and working correctly.</p>	Demonstrate this to your Outdoor Skills Assessor.	
<p>3. Conduct a safety briefing including:</p> <ul style="list-style-type: none"> • Standard safety procedures including rules for the prevention of collisions • Group management strategies • Communication signals • Capsize procedures. 	Note information included in the briefing:	
<p>4. Use a navigation chart to determine your location and route.</p>	Demonstrate this to your Outdoor Skills Assessor during a canoe / kayak activity.	
<p>5. With other activity leaders and / or instructors, conduct the activity.</p> <p>With your Outdoor Skills Assessor, discuss:</p> <ul style="list-style-type: none"> • Packing of canoe / kayak • Monitoring the participants and adapting the program to their needs • Monitoring and maintaining physical welfare of the group • Maintaining a positive social environment • Implementing risk management strategies, monitoring the conditions throughout the activity and adapting as needed. • Incorporating the recognition system into the activity 	Key points from the discussion:	

Activities to complete: Conduct a canoeing/kayaking activity		OSA Signature & Date
<p>6. Manage a rescue, demonstrating rescue techniques as the rescuer. Give clear directions to person(s) involved in the rescue without further capsizes occurring.</p> <p><i>Discuss with your Outdoors Skills Assessor additional hazards associated with rescues in moving water.</i></p>	<p>Demonstrate this to your OSA.</p> <p>Notes from the discussion:</p>	
<p>7. Demonstrate two methods of securing the craft to bank, shore or trailer. This could include:</p> <ul style="list-style-type: none"> • clove hitch • round turn and two half hitches • truckies' hitch • strap tie-downs 	<p>Demonstrate this to your OSA.</p>	

Activities to complete: Evaluate and report on a canoeing / kayaking activity		OSA Signature & Date
<p>1. Evaluate the activity with the participants.</p> <p><i>Add personal evaluation notes to your program for future reference. Discuss with your Outdoors Skills Assessor.</i></p>	<p>Notes from evaluation with participants:</p>	
<p>2. Finalise the accounts and prepare a financial statement for the District Manager (or Region /State Manager).</p>	<p>Attach a copy of the financial statement.</p>	
<p>3. Prepare a Camp / Activity Report and any incident notification for the District Manager (or Region / State Manager).</p>	<p>Attach a copy of the Camp / Activity Report.</p>	
<p>4. Update your canoe / kayak log.</p> <p><i>Discuss the requirements with your Outdoor Skills Assessor.</i></p>	<p>Attach a copy of your updated log.</p>	

Activities to complete: Evaluate and report on a canoeing / kayaking activity		OSA Signature & Date
5. Discuss with your Outdoor Skills Assessor: <ul style="list-style-type: none"> • What was successful? • What you would do differently next time? 	Key points from the discussion:	

Reflection on learning followed by discussion with Outdoor Skills Assessor:	Signature & Date
What have the participants gained from participating in the activities?	<i>Outdoor Skills Assessor</i>
What skills do you want to improve and how will you improve them?	<i>Outdoor Skills Assessor</i>

Completion of the Module

Now that you have completed all the required reading, training, activities and reflection exercises, your Outdoor Skills Assessor will complete the attached form and sign it. You will also sign the form and then the Outdoor Skills Assessor will forward it to the State Office. In due course, you will receive a certificate.

You may now conduct canoe / kayak activities according to the supervision ratios stated in *Guide Lines* and the conditions of endorsement. For large groups, several members who hold this module will be required to meet supervision ratios.

The canoe / kayak activities will take place on Grade 1 or 2 water that can be:

1. Flat and undemanding water
2. Open / moving water
3. Sea kayaking.

This qualification passport could be used as evidence towards Outdoor Recreation Qualifications.

Endorsement Procedure:

This module must be endorsed every 3 years and must be endorsed by Outdoor Skills Assessor who holds the module: Instruct and Assess Canoe / Kayak Skills.

The assessor will want to see:

- a current **Provide First Aid HLTAID011** certificate or equivalent or higher
- a canoe log showing an average of twenty hours of canoeing / kayaking activities per year, totaling sixty hours over three years. This must include a minimum of ten hours actual paddling but can include up to ten hours of preparation and instruction time in each twelve month period.
- a risk management plan for a recent canoeing / kayaking activity
- demonstration of current paddling and rescue skills.

If you do not meet the endorsement criteria, you cannot conduct canoe /kayak activities.

For each successful endorsement, the Outdoor Skills Assessor will complete the Completion of Module Form (OUT 06a) and forward to your SGGO.

Each endorsement extends your qualification for 3 years.

Outdoor Skills Assessors

An Outdoor Skills Assessor for this module will:

- Hold the outdoor module: Instruct and Assess Canoe / Kayak Skills, for a minimum of 2 years (and be actively seeking to have the modules endorsed in line with this Outdoor Module).
- Have been in charge of / conducted a canoeing / kayaking activity at least 4 times (or equivalent).
- Hold a current **Provide First Aid HLTAID011** certificate or equivalent or higher
- Show their canoe / kayak log
- Be recommended by the Region Manager (or her nominee) to the State Outdoor Activities Manager, who will manage this appointment.

The Outdoor Skills Assessor can also assess Guides for Boating (Canoeing / Kayaking) Achieve a Challenge Trefoil 3.

Completion of Module Form (OUT.06a)

The Outdoors Skills Assessor must send this form to your State office.

This form is for notifying the SGGO of the completion of the Module, subsequent endorsements after three years or for changing craft / conditions.
