

A.GINFO 01 (2024) Clean Up Australia Day

Clean Up Australia Day inspires communities to clean up and conserve our environment. Girl Guides have been part of this initiative to proactively reduce waste in communities since the very first Clean Up event in 1990. Thirty-three years on, Girl Guides are still a Clean Up Australia Youth Ally and continue to inspire girls and communities to make a difference through simple actions to conserve our environment.

This year, Clean Up Australia Day is on Sunday 3 March, but as always, Girl Guide Clean Up events are organised on the weeks and days that fit well with Unit or group planning.
