A.GINFO 07 (2024) NEW ACTION BADGES

Exciting news! The new Girl Guides Australia 'Action Badges' are now available from Girl Guide Retail Shops.

The new design features elements that each represent a key step in the journey to earning the Action Badge. Those elements are:

- A mountain with a flag at the top symbolises the practise of setting a goal and achieving it.
- The cog represents the effort, teamwork and interconnectedness required to complete the activities for this badge.
- The connecting links symbolise the important links between Girl Guide activities and communities.

The table below outlines the colour for each year and as with the old set of Action Badges, the colours will be on a four-year rotation.

Year	Colour
2024	Purple
2025	Orange
2026	Blue
2027	Green
