TWINKL Anzac Day Resource

There is also a great resource available [here](#) for Girl Guides who may feel anxious about attending social situations like Anzac Day. This resource explains in pictures and words, what you might expect to see and hear at a service so that you can be reassured and prepared for the experience.

The 2025 Saluting Their Service badges and pins are available through [Girl Guide Retail Outlets](#).

We love to hear all about the experiences Girl Guides and their Units have at this time of year so please share your stories on social media by tagging them with **#GirlGuidesAustralia** **#SaluteTheirService25** **#BecauseGirlsDo** or alternatively email them all to Wendy – youth@girlguides.org.au.
