### Badge and Award Tracker – Youth Member Resource – 5 MAY 2025

#### Background

Back in March we launched the new Badge and Award Handbooks. The books are free and downloadable from both the GGA and SGO retail shops. Hard copies have not been made available since we have moved to a more interactive and sustainable resource.

However, to make keeping track of badges and awards completed easier to reference, we have created a simple A4 tracker resource. It can be downloaded by Leaders and Girl Guides, from the program resource section of the GGA website and printed out in black and white.
