GGA – ‘Mum and Me’ Three Peaks Challenge 2026

Given the resounding success of our first fundraising trek to Nepal that raised over \$45k, GGA are inviting mums with girls 14yrs+ to join us on an incredible fundraising adventure scaling the 3 peaks of the Snowy Mountains in NSW in April 2026!

10 x mum-daughter teams will head off to Perisher in the Snowy Mountains (NSW) for a trip with impact. They'll summit Mt Kosciuszko, Mt Carruthers, and Etheridge Ridge in one epic day, all while supporting Girl Guides across the country.

This adventure is open to non-Guiding members as well as members. This is so that we might encourage new people to hear about Guiding, at the same time as tapping into new networks for fundraising.
