Project Compass Training Session

Girls turning ideas into impact through business

Thanks to the sponsorship of the Carla Zampatti Foundation and the curriculum expertise of the Australian Centre for Rural Entrepreneurship (ACRE)—creators of Social Enterprise Schools—the Project Compass program is now available through Girl Guides Learning.

About Project Compass

Project Compass is a contemporary entrepreneurship program designed for Guides aged 8–17 years. It empowers Guides to turn ideas into real-world impact through business and social enterprise.

Skills Guides will Develop

Through participation in Project Compass, Guides will develop transferable skills in:

- Leadership
- Critical and creative thinking
- Career capability
- Global citizenship
- Entrepreneurship

Getting Started

Project Compass is a structured 10-step program that is easy for leaders to facilitate. It includes clear instructional videos and supporting resources, all available through Girl Guides Learning.

Project Compass Training Session

Monday 1st June 2026

5–7pm WST (7–9pm EST)

Charlette Turzer, Project Compass Program Champion, will facilitate a training session to ensure leaders feel confident delivering the program.

Charlette Turzer, Unit Helper in WA is an experienced market stall holder who runs her own small business and is passionate about seeing girls develop their own entrepreneurship skills.
